- Erection of stable block and use of land for grazing of horses (Re-submission of 16/02042/F)

Land North Of Church Farm Stoke Lyne

Ref. No: 17/00680/F

Permitted

18 VILLAGE ISSUES

Broadband

The Wayleave required for the service to pass over land not in BT's ownership has been resolved. BT have now indicated that there are 2 possible locations for the broadband cabinet to serve the village – either outside the Church (near the existing sub –station) or at the village junction of The Close. BT have confirmed that there will be no significant difference in performance at either location. Councillors expressed concern that a location at the junction of the Close may obscure sight lines for motorists driving up the road, and, after discussion, agreed on balance that the Parish Council's favoured location would be outside the Parish Church, near the existing substation.

Cllr Davies agreed to advise BT accordingly. Subject to there being no delays with the planning application, the system could be installed by December 2017.

Planning enforcement

Cllr Corkin (CDC) has recently advised the Parish Council that Cherwell District Council has been in contact with the owner of Feld Farm Bainton over the removal of the "pod" on his land in accordance with the provisions of an Enforcement notice that has been served on the landowner and upheld on appeal. The District Council has asked their legal department to advise on appropriate action following the owners apparent non- compliance with the terms of the notice. The Clerk will chase Cllr Corkin for an update and circulate any information she receives to all Parish Councillors.

Grass cutting – Highway verges

The Parish Council expressed interest in taking over responsibility for verge cutting within the 30mph zone of the Parish from OCC. Although there was an initial delay as OCC required public liability insurance of £10M, the contractor cutting the playing field has now increased his insurance cover accordingly and the agreement with OCC has been completed. It would appear that the first cut had taken place on the day of the Parish Council meeting – all Councillors were asked to advise the Clerk should any verge within the 30mph boundaries appear to have been missed.

Shelswell History Festival

The Village has received a "thankyou" via Facebook from the Organisers for both the loan of the Parish Council marquee and other volunteer assistance.

19 PARISH COUNCIL

Cllr Keeping has signed his Declaration of Acceptance of Office and completed his Register of Interests, and is now confirmed as a Parish Councillor.

The Council had thanked Mrs Brown, their former Clerk for her help and support over the years and a new Clerk – Mrs Anne Davies, has taken over the role.

20 WEBSITE/TRANSPARENCY CODE

The Clerk will send Minutes, Agendas and details of accounts when available to the web site administrator for publication on the Parish website.

21 CORRESPONDENCE

The Council has recently received correspondence from Cllr Corkin (CDC) about the consultation on proposals to create the next phase of an East/West rail link (ultimately from Oxford to Cambridge) by extending the current train service from Bicester Village through to Bedford via Winslow and Milton Keynes with a spur to Aylesbury .

22. ANY OTHER BUSINESS

The Clerk was asked to check the planning history at Lower Farm Bainton, as neighbours had concerns that noisy vehicle repairs were taking place on vintage vehicles stored in containers on the farm, and access to and egress from the farm buildings was taking place at unsocial hours, thus disturbing residents living nearby.

There was also concern that stones had been piled on the verge both adjacent to and opposite Lone Barn on the Hardwick to Tusmore Road. This had the effect of reducing the width of highway available to motorists on an already very narrow road, and was potentially a highway danger in that it would not be possible for one vehicle to pass another safely by mounting the verge. The Clerk was asked to report the issue to OCC Highways.

23 DATE OF NEXT MEETINGS

Tuesday 10th October 2017 at 7pm in the Parish Rooms

Tuesday 9th January 2018 at 7pm in the Parish Rooms

24 ANY OTHER BUSINESS

None
